

Finding the BEST home for every dog we SAVE

WHO WE ARE

NJ South Hills Pet Rescue is a foster-based rescue dedicated to saving the lives of New Jersey dogs first. We provide the best veterinary care and training for the pets we rescue and re-home.

We believe that Patience, Perseverance and Positive reinforcement are essential for successful pet adoption. We use non-averse training and rehabilitation methods only.

We believe that Rescue is a partnership between dog and human where respect for both is key.

NJSH Pet Rescue Values Your Donations

A 501c3 non-profit all volunteer organization providing the best medical care and training for our rescues to create the best adoptive experience possible. Your financial support directly helps dogs in need.

The NJSH Pet Rescue Story

In the spring of 2018, four volunteers with a great deal of animal rescue experience felt compelled to form a different kind of rescue focusing on NJ animals.

The overriding principle guiding this new rescue would be to place the health and training of the animals as paramount to achieve the best placement for every animal.

NJSH Pet Rescue was founded beginning with Vicky (front cover), a helpless dog found living on a pile of garbage on a cold day in March 2018 and brought to a shelter in Newark NJ.

NJSH Pet Rescue welcomed Vicky into its care beginning with comprehensive medical attention and training to better prepare her to find a home.

Vicky was adopted by a wonderful family and is in fact the face of our rescue; and the first of 35 dogs we rescued from the Newark NJ shelter in our first year alone.

NJSH Pet Rescue is committed to being a resource for local shelters and owner surrenders in our home state of NJ always abiding by our unwavering belief in using the principles of time, patience and positive reinforcement only.

FOSTER

Fostering a dog is an incredibly fulfilling way to help to save lives. When you foster a dog, you are actually saving two lives... the dog you foster and the one the Rescue saves in its place.

- NJSH Pet Rescue pays medical bills
- NJSH Pet Rescue supports you
- Fostering is flexible-short or long term
- Fostering is a wonderful experience for the people and pets in your family
- It is fun to market your foster at adoption events and on social media

FOSTERING CHANGES EVERYTHING
